

MEMORANDUM

To: DDA Stakeholders
From: Bernard Simons, Deputy Secretary 
Re: DDA Appendix K #1- Retainer Payments Guidance
Release Date: April 29, 2020
Effective: March 13, 2020

NOTE: Please inform appropriate staff members of the contents of this memorandum.

BACKGROUND

On March 5, 2020, Governor Lawrence J. Hogan, Jr., declared a state of emergency due to disease ("COVID-19") caused by the novel coronavirus. The COVID-19 outbreak was declared a national emergency on March 13, 2020 and was previously declared a nationwide public health emergency on January 31, 2020 (retroactive to January 27, 2020).

The purpose of this guidance is to inform Developmental Disabilities Administration (DDA) stakeholders of temporary changes to the DDA's Home and Community-Based Services (HCBS) Waiver programs (i.e. Community Pathways Waiver, Community Supports Waiver, and Family Supports Waiver) and State funded services and operations in response to health and safety concerns related to the COVID-19 pandemic.

This guidance implements temporary modifications to DDA's Waiver programs in Appendix K, submitted to and approved by the Centers for Medicare and Medicaid Services, and DDA State Funded services to address the state of emergency.

OVERVIEW

During the COVID-19 pandemic, some participants may choose to stay with their families, some may request altered or reduced service delivery, or some may be supported in other systems (e.g. hospitals, nursing facilities, etc.). In addition, Meaningful Day services and programs have been closed due to State mandates to protect the public's health. In these situations, providers may request a COVID-19 Retainer Payment when they are not providing or paying for services for a participant.

The time limit for the retainer payment may not exceed **the lesser of 30** consecutive days or the number of days for which the State authorizes a payment for a "bed-hold" in nursing facilities.

Currently, Maryland Medicaid State Plan nursing facility “bed-hold” days are limited to 18 days. If either the Maryland Medicaid State Plan “bed-hold” days or federal restrictions are changed, COVID-19 retainer payments may be paid up to 30 days.

Retainer payments are for direct care staff and providers who normally provide services that include habilitation and personal care, but are currently unable to due to: (1) health and safety risk; (2) State mandates; (3) complications experienced during the COVID-19 pandemic because the participant is sick due to COVID-19; and/or (4) the participant is isolated or quarantined based on local, State, federal and/or medical requirements/orders.

This guidance applies to both the self-directed and traditional service delivery models for the following services. It does not apply to participants and providers associated with the LTSS Maryland pilot, who will receive separate pilot specific guidance.

Meaningful Day Services		Residential Services		Support Services (CCS and Waiver Supports)	
X	Employment Services	X	Community Living – Group Home	Assistive Technology & Services	Nurse Health Case Management

Standards and Requirements

1. Retainer payment will occur on a case by case basis when the provider or participant self-directing services is directly impacted by COVID-19. Retainer payments will not be authorized when self-directed services staff or providers are providing services to the participant.
2. Retainer Payment Limits:
 - a. Meaningful Day, Community Living- Group Home (CLGH), and Supported Living (SL) retainer payment time limit may not exceed the lesser of **30 consecutive days** or the number of days for which the State authorizes a payment for "bed-hold" in nursing facilities. **Currently, Maryland Medicaid State Plan nursing facility "bed-hold" days are limited to 18 days.**
 - b. Meaningful Day hourly services (provided under self-direction service delivery model) retainer payment time limit may not exceed **108 hours** unless otherwise authorized by the DDA.
 - c. Personal Support (PS) retainer payment time limit may not exceed **72 hours** (e.g. 576 15-minute units) unless otherwise authorized by the DDA.
3. Retainer payments for CLGH, SL and PS will be paid at **100%** of the authorized rate including add-ons, as in the participant's person-centered plan and budget, for both the self-directed and traditional service delivery models.
4. Retainer payment for Meaningful Day services will be paid at **80%** of the authorized rate including add-ons for both the self-directed and traditional service delivery models, as set forth in the participant's person-centered plan and budget, for both the self-directed and traditional service delivery models.
5. Fiscal Management Service (FMS) providers should work with participants enrolled in the self-directed service delivery model to adjust the rates for Meaningful Day retainer service by reducing the rate to **80%** of the usual authorized rate.
6. Participants enrolled in the self-directed service delivery model will determine, on a case by case basis, staff they will authorize retainer payments.
7. The FMS provider will collect and review documentation to ensure that a single staff member does not receive both payment for provision of services and a retainer payment for the same time.
8. If a provider, or FMS provider on behalf of a participant enrolled in self-directed services, is paying legally responsible individuals, relatives, friends, direct support professional, or any other qualified individual to provide services in alternative locations they shall bill as if services were provided by staff in the normal location (e.g. PCIS2 present day or self-direction timesheet/invoice) and not bill for a COVID-19 Retainer Payment.
9. If families, legally responsible individuals, relatives, or friends choose to support the participant without pay (aka. natural supports), then the provider, or FMS provider on behalf of the participant enrolled in self-directed services, can bill for a COVID-19 Retainer Payment.

10. For CLGH services, the COVID-19 Retainer Payment is in addition to the Residential Retainer Fee already established in DDA's Community Pathways approved waiver. Therefore, a provider can seek payment for up to **18 days** for the COVID-19 Retainer Payment and up to the **30 day** Residential Retainer Fee included in the [Community Pathways Waiver Amendment #2 2019](#), for a total of **48 days**. Again, if the time limit for COVID-19 Retainer Payment changes, the DDA will notify its stakeholders.

Billing Process under DDA's PCIS2 System:

1. For CLGH, Supported Employment, Community Development Services, Career Exploration, and Day Habilitation a provider shall:
 - Enter "C" day (*as reference to COVID-19 Retainer Payment*) into PCIS2 attendance sheet.

Note: Retainer days will pay through the normal PCIS2 prospective payment process.
2. For Supported Living services, a provider shall:
 - Bill the retainer days on the existing Community Pathways invoice along with the corresponding CMS 1500s.
3. For Personal Supports services, there are two calendars in PCIS1. Providers shall:
 - Enter regularly authorized services into the Base Calendar;
 - Enter 15-minute units for retainer payment on the new "COVID-19 Retainer Calendar"

Notes:

- 1- Retainer hours can be entered on the same day as actual service hours based on the typical service pattern.
- 2- Retainer hours may not be submitted if the day has been indicated as an isolated day.

Billing Process - Pilot Providers only:

Due to the inability to modify LTSS Maryland, pilot providers will need to invoice for COVID-19 Retainer Payment by submitting CMS 1500s using the LTSS Invoice. Refer to the LTSS Invoice and Instructions on the DDA Appendix K webpage.

Invoices should be submitted directly to the Headquarters who will prioritize and expedite the processing. There will be further guidance provided to the LTSS Pilot Providers as needed.

Billing Process - Self-Direction Only:

Participants, who are enrolled in the self-directed services delivery model, shall send authorization for retainer payments to the FMS provider.

The FMS provider shall submit a claim for the retainer days using the new procedure codes posted on the DDA Appendix K Webpage:

- Day Habilitation
- Community Development Services
- Supported Employment

Fiscal Reporting:**Fee Payment System Services:**

Guidance for fiscal reporting on COVID-19 related Fee Payment System (FPS) services expenditures will be provided in the Fiscal Year (FY) 2020 cost report instructions at a later date. The instructions will be updated to accommodate the flexibility granted by CMS for service authorization exceptions and the additional costs associated with the COVID-19 state of emergency.

As part of the fiscal reporting related to COVID-19 expenditures, providers will need to identify and include any funds received through the federal Payroll Protection Program in the Cost Report and in the audited financial statements. This requirement will also be reflected in the Cost Report instructions to be released at a later date.

Fiscal Management Services (FMS):

The year-end reconciliation should identify the retainer service days in each participant's budget.
